Spelling Tic-Tac-Toe

This board includes many different activities to help your child practice his/her spelling words. Your child must choose at least three of the activities to complete for weekly homework. The activities must make a tic-tac-toe line: horizontal, vertical, or diagonal three in a row. Please mark your choices with crayon, marker, etc. Parents, you are encouraged to assist your child as needed to make homework a positive learning experience. This sheet should be turned in on Thursday. Have fun!

**NOTE: If flash cards or other items are created, these need to be attached with the other papers. All materials will be returned after they are checked.*
